

## How to Upload an E-Poster Online:

### Important Information

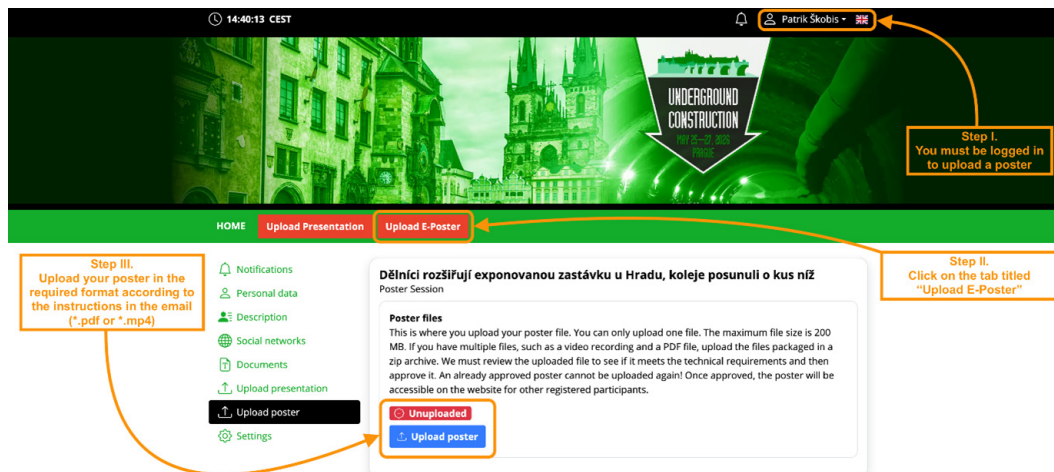

- Visit the conference platform, available [HERE](#).
- Log in using the same email address you used to submit your abstract/paper (or to register for the conference if you submitted your contribution by email).
- Upload your e-poster in **.pdf format**.
- The web platform for uploading e-posters will be activated, and you will be able to upload your e-posters **from May 11, 2026**.
- For clear identification, name your e-poster file using **your surname, the first word of your contribution title, and the word "poster"** (e.g., "AuthorTitlePoster.pdf").

### Logging into the Platform

- In the top right corner, select "Login".
- Log in using your email and password. Use **the same email address as for your abstract/paper submission** (or conference registration if applicable).
- After entering your email address, a password will be sent to your email, which you will use to complete the login.

### Uploading Your Presentation to the Platform

- Upload your e-poster directly to the platform.
- After logging in, go to your "Personal Page," located in the top right corner under your name.
- To upload the **.pdf file**, click on "Upload E-poster".

- Select the file with your e-poster from your computer and upload it.
- The maximum file size is **200 MB**.
- The e-poster must be in **PDF format**.
- In case of any issues, contact technical support at: [p.skobis@aimgroup.eu](mailto:p.skobis@aimgroup.eu).
- After uploading, your e-poster file will be reviewed.
